Big Top Scheduled To Visit Drayton

Tuesday, July 26 is Circus Day. The arrival of a real traditional-style 3-ring tented circus takes place in Drayton Valley, as the Big Carson & Barnes 3-ring Circus arrives at daybreak for performances at 2:30 and 8:00 P.M. on the circus grounds.

The show will arrive on three colorful convoys at daybreak and the always interesting and traditional spectacle of watching a tented city suddenly arise on circus day morning is expected to start at approximately 8:00 A.M. at the showgrounds. The circus officials commented that in nearly every city where they have visited this year, they have been greeted by hundreds of local citizenry on hand for the arrival event, which seems rarer today in view of the fact that several of the other larger circuses exhibit only in arenas and auditoriums and that the tented circus seems to be more popular than ever before.

The usual swift unloading of animals and equipment will take place by circus workmen aided by the circus performing elephants, and out of apparent chaos will come orderly precision as the tented city is erected, the spokesman promised.

The Carson & Barnes Circus, currently on its annual tour of the U.S. and Canada is considered in circusdom to be one of the two major tent circuses in America today. In addition to the featured star, CBS TV Star "Sky King" who will appear in person at each performance, there are more than 100 circus stars and performers in the 1966 edition of the big show, with several making their first appearances in America this year, having been brought from European and Asian countries by Carson &

Barnes for this year's program.

Included will be high aerial thrillers, acrobatic and tumbling champions, tightwire wizards, risley and contortion exponents, spectacular near the dome of the big top, trapeze daredevils, juggling artists, a real wild west exhibition of trick shooting, roping and hazardous riding which is part of the main performance.

Other features include trained animal acts including an African lions act in the big steel arena, comedy canines and hilarious chimpanzees, troupes of trained ponies and liberty horses and of course, the ever popular peers of all circus performers, the "Ponderous Performing Pachyderms" as the circus refers to the elephants.

The doors to the circus are scheduled to open one hour before each performance. Miss Pinkie noted aerialist will perform a free act high above the main show entrance before each performance.

New Manager At Treasury Branch

Change in management of the Drayton Valley Treasury Branch took effect on July 13th with Mr. Wally Peters replacing Al Braden as Manager. Mr. Braden is leaving this month to manage a new office of the Treasury Branch in Lloydminster.

Mr. Peters, who comes here from Rocky Mountain House, is married and has three children.

Good Weather, Good Crowds For Klondike Weekend Events

The weatherman favoured Drayton Valley over the weekend allowing the Klondike Kampers Karnival festivities to proceed smoothly with only a temporary lapse Saturday afternoon while a dust and wind storm threatened people enjoying the entertainment at the riverside park.

Festivities got off to a flying start Thursday evening with the Huntington Park Band and other entertainers on hand in the downtown area to perform for a large crowd. The early start set the mood for a weekend of fun and festivity.

Under sunny skies the parade on Friday morning was declared the best in Drayton Valley's history. Seventy-four entries stretched out this interesting feature of the weekend. This again received the attention of a large crowd lining the parade route.

Winners of the parade judging were as follows: Best Commercial, The Bay; Best Industrial, R. McGregor Salvage; Best Decorated, Elks Lodge and Royal Purple; Best novelty, Drayton Valley Municipal Hospital; and Grand Champion float, The Bay's replica of Fort Edmonton.

Special mention was also made of floats by the Town of Drayton Valley, Northern Video, M & R Trucking, and McLeods.

Awards for bicycle decorating went to: 1st, Alan Hasenclever; 2nd, Sharon Lerner-meyer; 3rd, Dale Schwab; 4th "Muggins" Albert; 5th Keith Batke; 6th Elden Albert; 7th Ricky Mosdell; 8th Debbie and Carol Mosdell; and 9th Roy Briere.

The stage show held on Friday and Saturday attracted good audiences for all showings and won many favourable comments for the performers. The Klondike Inn, held in the Curling Rink, was also a popular spot.

A draw for 100 silver dollars was made each evening at the Klondike Inn. Friday's winner was Mrs. Rene Coutu while the Saturday's bonanza went to Mr. B. Landreth.

Beard judging was a feature of Friday afternoon's downtown entertainment. Judges, who were hard pressed to make a decision in the event, were Granny Waugh, Fred Cameron of Easyford and Mayor B. P. Knowles of Fort Saskatchewan.

Eventual winners in the five classifications were: Dapper Dan, Bob Cowan; Eldorado, Warner Wensel; Chilkoot, Dick Humphreys; Chechako, Bud Ball; and Klondike, Loren Lambert.

Entertainment at the riverside was varied with attractions for all that started Friday noon and ran through to Saturday evening. Midway, gymkhana, air show and pancake breakfast all attracted spectator interest.

Big event of the weekend was the completion of the first lap of the White Water Canoe Race between Rocky Mountain House and Edmonton. First ten finishers of the 28 entries were, in order of finishing: 1st McEachern and Crerar with a time of 7-30-15.5; followed

The plows for India campaign that the Farmers' Union of Alberta is sponsoring is off to a good start. Two complete units have been donated to date by the Junior F. U. A.

At the recent provincial F. U. A. summer board meeting, the board approved the formation of a "Plows for India Fund" and the machinery is presently being implemented to handle the money.

Good weather has taken most of the farmers of the district into the fields for hay-ing. Let's hope good weather continues.

We are glad to hear Mr. Pete Yans is home from the hospital. We wish him all the best.

The past week has brought many visitors, once again to the district.

From Edmonton Mrs. Myrna Christensen, motored to visit with her parents Mr. and Mrs. Milt Jensen, and relatives, and also to attend the Steak Barbeque and Dance.

Mr. and Mrs. Bob Penfield and children drove from Cal-gary last week to visit parents Mr. and Mrs. Ralph Telford of Moon Lake.

Mr. and Mrs. Earl Cheney came from Prince Albert, Saskatchewan to visit relatives here.

The district welcomes Mr. and Mrs. Frank Banks and family who have just taken up residence in the Moon Lake area.

Also congratulations to David Banks son of the above who came in first, in the four-mile run held in Drayton Valley.

We were also glad to see the Jensen Bros. float entered in the Klondike parade held in Drayton Valley.

The Moon Lake Steak Bar-beque, was a great success. The dance was enjoyed by an enormous crowd, music was supplied by Pembina Valley Ramblers, of Entwistle.

Raft Race Very Successful

The Klondike River Raft Race held on the North Saskatchewan River last Saturday afternoon was a successful event in almost every detail. The race, one of the attractions of the Klondike Kapers Carnival featured eighteen rafts with thirty-six staunch raftsmen braving the rigors of the river.

The race got under way on schedule, leaving a point near Westbank approximately six miles up river from the Klondike Park at 4:10 P.M. Fifty-nine minutes later the winning team reached the finish pole situated in the shadow of the bridge crossing the river above the park.

Except for the start of the race when a storm threatened, weather conditions were ideal throughout. The river, though a bit rough in spots, was comparatively mild considering how violent that old North Saskatchewan can get in these parts. In any event it presented a good challenge to every participating rafter who in turn met this challenge in fine fashion. All eighteen rafts crossed the finish line with all raftsmen aboard.

The team of Otto Guze and Dave Sleno won the race with Sleno abandoning raft and getting to the finish pole ahead of the nearest competitor. This pair won the Klondike Raft Race Trophy presented for the first time this year. This trophy will be up for competition each year during the Klondike Kapers Carnival. Replicas of the large trophy were presented to Mr. Sleno and Mr. Guze.

Finishing second in the race was the team of Conrad Brisebois and Joe Volk. Each member of this team received a pen set for their efforts.

Third place prizes, fancy cigarette lighters went to the team of Fred Bauman and Amant Brisebois.
